The Trustee proposes to sell the Property to Buyer pursuant to 11 U.S.C. § 363(b).

The Trustee believes that the sale of the Property, on the terms described above and in the attached **Exhibit A**, will benefit the estate and its creditors.

PLEASE TAKE FURTHER NOTICE that any party interested in submitting an overbid on the Property should contact the Trustee's Court-approved broker, Hesam Tooloee at Sunriser Landcore Investments. phone 510-928-5024 and/or email bv sunriserlandcoreinvestments@earthlink.net. Any persons interested in submitting an overbid on the Property must comply with the following procedure: Any overbid shall be in an amount no less than \$45,000, and shall be on terms substantially similar or more favorable to the estate than those contained in the attached Agreement ("Overbid"). Any Overbid must be submitted in writing, together with a deposit (fully refundable if the overbidder is not the prevailing purchaser at auction or the overbid is not approved by the Bankruptcy Court) in the amount of \$5,000.00 made payable to "Bankruptcy Estate of ACEH Capital, LLC." The deposit must be in certified funds. Any Overbid must be received by Geoffrey A. Heaton, Duane Morris LLP, One Market Plaza, Spear Street Tower, Suite 2200, San Francisco, California 94105-1127 by no later than October 21, 2021 at 4:00 p.m.

At the auction, overbidding will begin with the highest overbid submitted and continue in increments of \$1,000.00 until no further bids remain. The Trustee reserves the right to postpone or continue the auction to a different day or time, subject to notice to Buyer and any and all qualified over-bidders. If there are no qualified over-bidders, the Trustee will apply to the Court for an order authorizing the sale to Buyer on the terms described herein.

PLEASE TAKE FURTHER NOTICE that your failure to file timely opposition hereto may result in the approval of the sale on the terms set forth above and in Exhibit A. If you object to the sale, you are directed to follow the procedures described below.

PLEASE TAKE FURTHER NOTICE that the Trustee intends to apply to the above-entitled Court for an order approving this sale. Bankruptcy Local Rule 9014 of the United States Bankruptcy Court for the Northern District of California prescribes the procedures to be followed in the event that you have an objection to the proposed sale.

Any objection or request for a hearing must be accompanied by declarations or memoranda of law any requesting party wishes to present in support of its position.

If there is no timely objection to the requested relief, or a request for hearing, the Court may enter an order granting the relief by default.

In the event of a timely objection or a request for hearing, the initiating party will give at least seven (7) days written notice of the hearing to the objecting or requesting party, and to any trustee or committee appointed in this case.

BUYER'S VACANT LAND ADDITIONAL INSPECTION ADVISORY

(C.A.R. Form BVLIA, 11/13)

Property Address:	195 Street E. and Avenue Z - APN#3062-002-052 AND 053, Llano, CA 93544	("Property")

- A. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, you should conduct thorough investigations of the Property personally and with professionals who should provide written reports of their investigations. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations. Additionally, some inspections, such as those listed below, may be of particular importance when purchasing vacant land.
- B. BUYER RIGHTS AND DUTIES: You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. The purchase agreement gives you the right to investigate the Property. If you exercise this right, and you should, you must do so in accordance with the terms of that agreement. This is the best way for you to protect yourself. It is extremely important for you to read all written reports provided by professionals and to discuss the results of inspections with the professional who conducted the inspection. You have the right to request that Seller make repairs, corrections or take other action based upon items discovered in your investigations or disclosed by Seller. If Seller is unwilling or unable to satisfy your requests, or you do not want to purchase the Property in its disclosed and discovered condition, you have the right to cancel the agreement if you act within specific time periods. If you do not cancel the agreement in a timely and proper manner, you may be in breach of contract.
- C. SELLER RIGHTS AND DUTIES: Seller is required to disclose to you material facts known to him/her that affect the value or desirability of the Property. However, Seller may not be aware of some Property defects or conditions. Seller does not have an obligation to inspect the Property for your benefit nor is Seller obligated to repair, correct or otherwise cure known defects that are disclosed to you or previously unknown defects that are discovered by you or your inspectors during escrow. The purchase agreement obligates Seller to make the Property available to you for investigations.
- D. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as soil stability, geologic or environmental conditions, hazardous or illegal controlled substances, structural conditions of the foundation or other improvements, or the condition of the roof, plumbing, heating, air conditioning, electrical, sewer, septic, waste disposal, or other system. The only way to accurately determine the condition of the Property is through an inspection by an appropriate professional selected by you. If Broker gives you referrals to such professionals, Broker does not guarantee their performance. You may select any professional of your choosing. If you have entered into a written agreement with a Broker, the specific terms of that agreement will determine the nature and extent of that Broker's duty to you. YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.
- E. YOU ARE ADVISED TO CONDUCT INVESTIGATIONS OF THE ENTIRE PROPERTY, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:
 - 1. FINANCE: Financing the purchase of vacant land finance and especially financing construction loans for the improvement of vacant land can provide particular challenges, including subordination agreements and insurance requirements. Buyer is advised to seek the assistance of reputable lenders in assistance with their decisions regarding financing of the property.
 - 2. CONSTRUCTION COSTS: If Buyer is contemplating building improvements on the property, Buyer is advised that they will have to contact directly any contractors, service providers, suppliers, architects, utility companies regarding the costs of improvements. Buyer is advised to get written bids from all such persons regarding their decision to develop the property.
 - 3. UTILITIES: Unimproved property may or may not have utilities available to the property. Buyer(s) is advised to obtain information from the public or private utility provider about the availability and cost of providing utilities to the property and whether necessary easements are in place to allow such utilities to the property.
 - 4. ENVIRONMENTAL SURVEY: Unimproved land may have had or may have hazardous materials stored upon or under the land or been used by persons engaged in activities exposing the land to hazardous materials. The land may also be host to protected vegetation or animal life. Buyer(s) is advised to satisfy themselves as what hazards or protected plant or animal life are on the property and what impact they may have on Buyer's future plans for the property by seeking the help of a qualified professional.

- 5. NATURAL HAZARDS REPORTS: Buyer(s) is advised that while certain disclosures are required by state, federal and local laws, hazard disclosure companies can provide additional disclosures for both natural and man-made hazards or nuisances for a cost. Buyer is advised to seek the advice of a natural hazards reporting company regarding additional reports and disclosures that buyer may wish to obtain.
- 6. SUBDIVISION OF THE PROPERTY: If Buyer's plans include future subdivision of the property (whether under the Subdivision Map Act of the Subdivided Lands Law) multiple, complex issues regarding city, county, state, and federal laws may be presented. Buyer is strongly advised to seek the advice of California legal counsel familiar with federal, state and local subdivision requirements.

Buyer and Seller acknowledge and agree that Broker: (i) Does not decide what price Buyer should pay or Seller should accept; (ii) Does not guarantee the condition of the Property; (iii) Does not guarantee the performance, adequacy or completeness of inspections, services, products or repairs provided or made by Seller or others; (iv) Does not have an obligation to conduct an inspection of common areas or areas off the site of the Property; (v) Shall not be responsible for identifying defects on the Property, in common areas, or offsite unless such defects are visually observable by an inspection of reasonably accessible areas of the Property or are known to Broker; (vi) Shall not be responsible for inspecting public records or permits concerning the title or use of Property; (vii) Shall not be responsible for identifying the location of boundary lines or other items affecting title; (viii) Shall not be responsible for verifying square footage, representations of others or information contained in Investigation reports, Multiple Listing Service, advertisements, flyers or other promotional material; (ix) Shall not be responsible for providing legal or tax advice regarding any aspect of a transaction entered into by Buyer or Seller; and (x) Shall not be responsible for providing other advice or information that exceeds the knowledge, education and experience required to perform real estate licensed activity. Buyer and Seller agree to seek legal, tax, insurance, title and other desired assistance from appropriate professionals.

By signing below, Buyer and Seller each acknowledge that they have read, understand, accept and have received a Copy of this Advisory. Buyer, is encouraged to read it carefully.

CALIFORNIA CONSUMER PRIVACY ACT ADVISORY

(C.A.R. Form CCPA, 12/19)

As of January 1, 2020, the California Consumer Privacy Act (commencing with Civil Code § 1798.100) ("CCPA") grants to California residents certain rights in their private, personal information that is collected by companies with whom they do business. Under the CCPA, "personal information" is defined broadly to encompass non-public records information that could reasonably be linked directly or indirectly to you, including, potentially, photographs of or sales information about your property. Some of your personal information will be collected and likely shared with others during the process of buying and selling real estate. Depending on the situation, you may have the right to "opt out" or stop the transfer of your personal information to others and request that certain businesses delete your personal information altogether. Not all businesses you interact with are required to comply with the law, primarily just those who meet the criteria of a covered "Business" as set forth in Section 1798.140 (c)]. For more information, you may ask your Broker for a copy of the C.A.R. Legal Q&A on the subject.

A real estate broker is likely to submit personal information to a Multiple Listing Service ("MLS") in order to help find a buyer for a seller's property. Through the MLS, the information is made available to real estate brokers and salespeople, and others. Even after a sale is complete, the MLS distributes sales information to the real estate community. Brokers, agents and MLSs may also share your personal information with others who post the personal information on websites or elsewhere, or otherwise use it. Thus, there are various service providers and companies in a real estate transaction who may be engaged in using or sharing data involving your personal information.

If your broker is a covered Business, it should have a privacy policy explaining your rights on its website and giving you an opportunity to request that personal information not be shared, used and even deleted. Even if your real estate brokerage is a covered Business, it needs, and is allowed, to keep your information to effectuate a sale and, by law, is required to maintain such information for three years to comply with regulatory requirements. Not all brokers are covered Businesses, however, and those that are not, do not have to comply with the CCPA.

Similarly, most MLSs will not be considered a covered Business. Instead, the MLS may be considered a Third Party in the event a covered Business (ex: brokerages, real estate listing aggregation or advertising internet sites or other outlets who meet the criteria of covered Businesses) exchanges personal information with the MLS. You do not have the right under the CCPA to require a Third Party to delete your personal information. And like real estate brokerages, even if an MLS is a covered Business, MLSs are also required by law to retain and make accessible in its computer system any and all listing and other information for three years.

Whether an MLS is a covered Business or a Third Party, you have a right to be notified about the sharing of your personal information and your right to contact a covered Business to opt out of your personal information being used, or shared with Third Parties. Since the MLSs and/or other entities receiving your personal information do not have direct contact with buyers and sellers and also may not be aware of which entities exchanging personal information are covered Businesses, this form is being used to notify you of your rights under the CCPA and your ability to direct requests to covered Businesses not to share personal information with Third Parties. One way to limit access to your personal information, is to inform your broker or salesperson you want to opt-out of the MLS, and if so, you will be asked to sign a document (Form SELM) confirming your request to keep your listing off the MLS. However, if you do so, it may be more difficult to sell your property or obtain the highest price for it because your property will not be exposed to the greatest number of real estate licensees and others.
